

# Accessories for WichiTech's Composite Repair Systems

## ***Student Training Kit***

Using the HB-1 for programming, the Student Training Kit provides power and vacuum for **four repair training stations**. Each kit comes with four each: vacuum hoses, thru-the-bag connectors, thermocouple assemblies, and 8" x 8" blankets—all connected to a power and vacuum distribution box.

## ***Other Accessories***

Oil filled vacuum gauge with thru-the-bag connector, flash tape, a handheld blanket tester, portable thermocouple welder and other accessories are available upon request.
